

**From:** Rick Bowersox  
**To:** Microsoft ATR  
**Date:** 12/5/01 9:26am  
**Subject:** settlement

To whom it may concern:

I am in favor of quick resolution of this matter. I do not believe that Microsoft has acted as a monopoly. They simply have the best product and their innovation deserves our praise rather than government harassment. Please do what you have to do and then go find some real criminals.

Sincerely,

B. Richard Bowersox
